Commandant, Marine Corps Schools

Dear General Snedeker:

It was indeed kind of you to write me as you did about the talk that I gave to the staffs and students of the Senior and Junior Schools on 3 March. As always, I very much enjoyed my trip to Quantico and it was a pleasure for me to speak on this particular occasion.

I also want to thank you for the excellent photograph which I shall keep as a memento of my visit with you.

With my best wishes,

Sincerely,

My dear Mr. Dulles,

I wish to express my appreciation to you for your excellent lecture on the "Areas of Vulnerability of the Soviet Bloc".

Your interesting and highly informative remarks were extremely well received and have occasioned much discussion among the audience. Of particular note was the forthright and candid manner in which you answered questions during the discussion period.

Please accept the sincere thanks of all of us at the Marine Corps Schools for a valuable contribution to our educational program.

Sincerely yours,

E. W. SNEDEKER
